4.000 inches

Center To Center Distance Between Bolt Holes Along Length:

6.000 inches

Bolt Hole Quantity:

4

End Application:

Model ep-90 electric piston horn

Bolt Hole Diameter:

0.344 inches

Product Name:

Inspection cover gasket

Special Features:

Material: 1/16 inch thermo-tork, specification tn 9000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
