Cross Sectional Shape:

Trapezoid

Minor Width:

0.0625 inches

Cross-sectional Height:

0.375 inches

Cross-sectional Width:

0.625 inches

End Application:

Type c hinged dogged hatch model bfhho15x24th

Construction:

One-piece

Product Name:

Hatch cover gasket

Special Features:

The gasket application utilizes the major width for sealing

Material:

Rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
