Cross Sectional Shape:

U packing

Inside Diameter:

1.000 inches

Outside Diameter:

3.500 inches

Product Name:

Type b poly seal

Height:

0.250 inches

Material:

Rubber butadiene-acrylonitrile class nbr insert

Material Specification:

Lubrithane mfr ref single material response packing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
