End Application:

A400m (military air transport)

Product Name:

Disk, seal

Special Features:

For 0.125 inch diameter rods

Functional Description:

Used on acoc actuator part number 906400-01

Reference Data And Literature:

Miggett component maintenance manual 75-20-01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
