**Cross Sectional Shape:**

Rectangular

**Length:**

1.600 inches

**Surface Condition:**

Smooth both sides

**Cross-sectional Height:**

0.500 inches

**Cross-sectional Width:**

0.750 inches

**End Application:**

Virginia class submarine aft remote interface control assembly

**Product Name:**

Gasket

**Special Features:**

Material specification mil-r-900

**Material:**

Rubber, buna-n

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800
