End Application:

2355-01-539-3639; light armored vehicle

Product Name:

Gasket, drain plug

Special Features:

Material: viton one eighth inch thick, per astm d2000; 24 degrees fehrenheit to 250 degrees fehrenheit, resistant to petroleum products, glycol, corrosion resistant, flame resistant and ozone/weather resistant.

Material:

Rubber synthetic sealing element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
