End Application:

Fixture assembly m16377/27b

Product Name:

Centering gasket

Special Features:

Centering gasket that is installed over the globe and centers/cushions it against the stresses casued by the securing ring of globe/fixture assembly mil-f-16377/27b

Supplementary Features:

Mil-dtl-16377/27b figure 5; fits between a large washer and the securing ring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-dtl-16377 spec.
