End Application:

4820-01-574-0288 ball valve; new construction lcs2

Product Name:

Stem seal

Special Features:

2 required per assembly

Material:

Plastic polytetrafluoroethylene

Material Specification:

Reinforced polytetrafluoroethylene mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
