Overall Height:

Between 0.189 inches and 0.199 inches

End Application:

Mrap - unique nsn - mrap no permanent wsdci identified

Product Name:

Cover, front, (front half)

Special Features:

This shape can not be described in words that will fit in this reply

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
