Overall Length:

4.600 inches

Overall Height:

2.000 inches

Overall Width:

2.000 inches

End Application:

Nsn 5895-01-435-0571 terminal satellite communication

Product Name:

Gasket, cover

Special Features:

65 durometer (shore a +_5); tensile psi, 1500; 062 thickness.

Color:

Black

Material:

Rubber ethylene-propylene-diene class epdm

Material Specification:

Astm d-2000 type ba assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
