End Application:
P2-fh plate heat exchanger; caustic soda recovery plant
Product Name:
Rubber lining nbr
Special Features:
Data from phe-product manual; connections p2-fh; in frame plates pos. 16 connection size no.65; for use on plate heat exchanger, plate
pack length 84mm used on the caustic soda recovery plant
Material:
Rubber butadiene nitrile
Style Designator:
Circular
Shelf Life:
N/a

Demilitarization:

Unit Of Measure:

No

Fiig:

A032a0
