End Application:

B135 stop-check valve

Product Name:

Bonnet gasket

Material:

Cotton and rubber butadiene-styrene class sbr

Material Specification:

Mil-hh-p-151f, cl 3, -6225 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-hh-p-151f spec.
