**Product Name:**

Flexitallic sheet sealing material

**Color:**

Brown

**Reference Data And Literature:**

Material safety data sheet (msds)

**General Description:**

Material composition by per cent; vermiculite 83, toluene 13, and elastomer binder (nbr) 4

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
