Hole Diameter:

0.312 inches

Overall Length:

7.040 inches

Overall Width:

4.900 inches

Bolt Hole Quantity:

12

End Application:

Nsn 2350-01-506-0132 armored reconnaissance-airborne assault

Product Name:

Gasket, fuel transfer

Special Features:

0.060 in thickness, material - rubber nitrile, class 1, grade 60

Specification Data:

81349-mil-r-6855 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
