**Overall Length:**

11.950 inches

**End Application:**

2350-01-506-0132 armored reconnaissance-airborne assault

**Construction:**

Solid

**Product Name:**

Seal, dust

**Material:**

Silicone

**Material Specification:**

Astm d6576, type 2, grade c silicone sponge assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
