End Application:

2320-01-534-1091

Product Name:

Gasket, panel, bulkhead

Special Features:

Specific matl is 0.125 inch thick medium density closed cell single coated vinyl foam, pressure sensitive adhesive-one side

Supplementary Features:

Refer to drawing for additional details

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
