Cross Sectional Shape:

U with o-ring

Inside Diameter:

2.125 inches

Outside Diameter:

2.500 inches

End Application:

Hydraulic cylinders

Product Name:

Type b deep polypak

Height:

0.375 inches

Material:

Rubber polyurethane packing and disulfide molybdenum packing

Material Specification:

Cage 30781 compound 4615 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
