Bolt Hole Quantity:

4

End Application:

Harley davidson motorcycle

Features Provided:

Heat resistant

Product Name:

Cycle gasket

Special Features:

Steel core, stainless steel fire ring

Material:

Fiber

Style Designator:

Non-circular

Supplementary Features:

.50 inch bore, .045 inch thick

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
