End Application:

1500 (rowpu) reverse osmosis water purification unit

Component Quantity:

3

Component Document Origin:

Industrial

Document Source:

0ak83

Product Name:

Sealkit for1500gph reverse osmosis water purification kit

Special Features:

Material for the 3 seals is ethylene proylene.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A560b0
