End Application:

Fleet combat

Product Name:

Seal, plain

Special Features:

Nha; windows assembly-gunners fwd

Material:

Rubber

Material Specification:

Mil-prf-6855 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-prf-6855 spec.
