Overall Length:

35.500 inches

Overall Width:

0.500 inches

End Application:

2350-00-122-6826

Material:

Rubber synthetic

Material Specification:

Ansi y14.5m-1982 national specification single material response and dod standard 00100 military standard 2nd material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
