Hole Diameter:

0.220 inches

Overall Length:

13.640 inches

End Application:

5895-01-549-4234

Product Name:

Gasket, emi, sep

Special Features:

Critical technology; assembly part; 2 slots

Material Specification:

Mil-std-130 military standard 1st material response

Specification Or Standard:

0.040 thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-std-130 spec.
