**Fabrication Method:**

Solid

**End Application:**

2350-01-575-0951

**Construction:**

One-piece

**Product Name:**

Lip seal, lower, left rear door

**Special Features:**

Total length of 71.65 inches which includes 6 inches in excess material for fit up to next higher assembly

**Material:**

Rubber chloroprene class cr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
