Fabrication Method:

Solid

End Application:

2350-01-575-0951

Construction:

One-piece

Product Name:

Lip seal, lower, left rear door

Special Features:

Total length of 71.65 inches which includes 6 inches in excess material for fit up to next higher assembly

Material:

Rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
