Hole Diameter:

4.99 inches and 5.03 inches all holes

Overall Length:

11.53 inches

Overall Width:

6.03 inches

End Application:

3429as5140

Product Name:

Heater gasket

Special Features:

Rectangular shaped gasket with two circular holes and a small rectangular aperture in corner

Material:

Glass fiber

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
