Hole Diameter:
4.99 inches and 5.03 inches all holes
Overall Length:
11.53 inches
Overall Width:
6.03 inches
End Application:
3429as5140
Product Name:
Heater gasket
Special Features:
Retangular shaped gasket with two circular holes and a small rectangular apeture in corner
Material:
Glass fiber
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
