Cross-sectional Height:

0.070 inches

Center Hole Diameter:

Between 0.730 inches and 0.748 inches

Product Name:

Packing, preformed

Material:

Rubber synthetic

Material Specification:

Sp-955, type i, class 1; fluoro elastomer mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510x0
