Cross-sectional Height:

0.139 inches

Center Hole Diameter:

3.859 inches

Product Name:

Packing - o-ring

Special Features:

Used in fuel mil-s-3136 within temp range of -65 degrees f +350 degrees f

Color:

Blue

Material:

Rubber fluorosilicone class fq

Material Specification:

Th 1257 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
