**Cross-sectional Height:**

Between 0.067 inches and 0.073 inches

**Center Hole Diameter:**

Between 0.920 inches and 0.932 inches

**Criticality Code Justification:**

Zzzy

**Material:**

Plastic polytetrafluoroethylene

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ship parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0

**Mil-std (military Standard):**

Mil-p-19468a spec.
