Cross-sectional Height:

0.087 inches

Center Hole Diameter:

0.644 inches

End Application:

Forrestal class cv; level 1/subsafe; morred training ship; submarine atmospheres control and compressed air/gas; oxygen generation plant

Material:

Rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
