Cross-sectional Height:

0.070 inches

Center Hole Diameter:

Between 0.359 inches and 0.369 inches

End Application:

M901

Criticality Code Justification:

Feat

Special Features:

Weapon system essential

Color:

Natural

Material:

Rubber ethylene-propylene class epm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
