Cross-sectional Height:

0.072 inches

Center Hole Diameter:

0.351 inches

End Application:

F-16 air combat fighter

Product Name:

Packing preformed, o-ring rubber

Material:

Rubber

Material Specification:

Ams 3303 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
