Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 0.852 inches and 0.872 inches

Product Name:

Packing, preformed-ams 7280, o-ring

Material:

Rubber fluorocarbon class fpm

Material Specification:

Ams 7280 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
