**Cross-sectional Height:**

0.062 inches

**Center Hole Diameter:**

1.312 inches

**Criticality Code Justification:**

Zzzy

**Special Features:**

Material epr

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A510x0
