Cross-sectional Height:

0.062 inches

Center Hole Diameter:

1.312 inches

Criticality Code Justification:

Zzzy

Special Features:

Material epr

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510x0
