Cross-sectional Height:

Between 0.067 inches and 0.073 inches

Center Hole Diameter:

Between 0.296 inches and 0.306 inches

Product Name:

Packing, preformed

Material:

Rubber fluorocarbon class fpm

Material Specification:

Ams 7257 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510x0
