Cross-sectional Height:

Between 0.067 inches and 0.073 inches

Center Hole Diameter:

Between 0.140 inches and 0.150 inches

Material:

Rubber fluorosilicone class fq

Material Specification:

8814, cagec u1068 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
