Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 8.207 inches and 8.267 inches

Material:

Rubber silicone class q

Material Specification:

Ams7267 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
