Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 1.727 inches and 1.747 inches

Color:

Blue

Material:

Rubber silicone class q

Material Specification:

Ams3325 assn standard 1st material response and ams3326 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
