Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 1.475 inches and 1.499 inches

Material:

Rubber fluorocarbon class fpm

Material Specification:

Ams7276 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
