Cross-sectional Height:

Between 0.135 inches and 0.143 inches

Center Hole Diameter:

Between 16.875 inches and 17.035 inches

Material:

Rubber fluorocarbon class fpm

Material Specification:

Ams7276 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
