## Cross-sectional Height:

Between 0.135 inches and 0.143 inches

#### Center Hole Diameter:

Between 16.875 inches and 17.035 inches

## Material:

Rubber fluorocarbon class fpm

#### Material Specification:

Ams7276 assn standard single material response

#### Shelf Life:

N/a

# Unit Of Measure:

--

#### Demilitarization:

No

Fiig:

A510x0
