#### **Cross-sectional Height:**

Between 0.112 inches and 0.120 inches

#### Center Hole Diameter:

Between 1.161 inches and 1.181 inches

## Material:

Rubber fluorocarbon class fpm

### **Material Specification:**

Ams7276 assn standard single material response

### Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

Fiig:

A510x0
