Cross-sectional Height:

Between 0.135 inches and 0.143 inches

Center Hole Diameter:

Between 3.581 inches and 3.637 inches

End Application:

Pacer dawn

Elongation Percentage:

125

Hardness Rating:

75.0 international rubber hardness degree scale

Color:

Blue

Material:

Rubber fluorosilicone class fq

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
