Cross-sectional Height:

0.073 inches

Center Hole Diameter:

0.929 inches

Material:

Rubber butadiene-acrylonitrile class nbr

Material Specification:

Mil-g-5514 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0

Mil-std (military Standard):

Mil-g-5514 spec.
