Cross-sectional Height:

0.103 inches

Center Hole Diameter:

5.000 inches

Material:

Rubber silicone class q

Material Specification:

Mil-g-83528 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0

Mil-std (military Standard):

Mil-g-83528 spec.
