#### **Cross-sectional Height:**

Between 0.100 inches and 0.106 inches

#### Center Hole Diameter:

Between 1.406 inches and 1.418 inches

Material:

Rubber silicone class q

### Material Specification:

Ams 7267 assn standard single material response

Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

Fiig:

A510x0
