Center Hole Diameter:

Between 5.949 inches and 6.019 inches

End Application:

Qf f-18 e/f

Product Name:

O-ring, aircraft, mat

Special Features:

Std as-568; not recommended for hydraulic applications

Specification Data:

Mil-p-8361/1b government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0

Mil-std (military Standard):

Mil-p-8361 spec.
