Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 0.357 inches and 0.367 inches

Product Name:

Packing, preformed, 'O' ring

Special Features:

Approx weight lbs/100 0.056

Material:

Rubber

Material Specification:

Ams7271-80 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
