O-ring - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5331-01-481-2640

Cross-sectional Height:

Between 0.100 inches and 0.106 inches

Center Hole Diameter:

Between 0.357 inches and 0.367 inches

Product Name:

Packing, preformed, '0' ring

Special Features:

Approx weight lbs/100 0.056

Material:

Rubber

Material Specification:

Ams7271-80 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
